MIKE & SONJA ZEEK: MISSIONARIES TO THE HMONG

## ✘ Answered Prayer ✘

*We finally got our visa! It is now processed, and all we have to do is drive to the Thai embassy in Washington, D.C. to finalize all the paperwork. We have a house waiting for us in Chiang Mai which is another answer to prayer. We leave July 16, 2007 from JFK in NYC. Thank you to everyone for your prayers!*

## ONLY HUMAN

Sometimes it's easy to elevate us as more spiritual than others, because we're missionaries to a foreign country. It is only by God's grace that we are counted worthy. We are not extraordinary people. Our abilities and faults are the same as others. Anyone can move to another country, but God has to be our motivation. This is not a

job; it's a calling. Otherwise, we'll be back in a few years totally defeated.

We must learn two new cultures and languages while living far away from family and friends. Pray that we will be humble learners and continually trust in God alone to sustain

us. "For my thoughts are not your thoughts, neither are your ways my ways," declares the Lord," Isaiah 55:8.

*Commissioning*

*Dr. Steve Wilt, general director of FIM, and his wife, Sue, joined us at our commissioning service on April 29 at Berean Bible Church. Dr. Wilt challenged us to not let anything hinder our goal to glorify God by sharing the Gospel with the Hmong. For highlights of the service, visit our website.*
