

"One Thing You Can't Do In Heaven"

Project 316

Mark Cahill, author of, *"One Thing You Can't do in Heaven"* says this: "I can guarantee that there is one thing that you cannot do in Heaven that you can do on earth. You can worship God in Heaven. You can praise God in Heaven. You can sing songs in Heaven. But one thing you cannot do in Heaven is share your faith with a non-believer. Why? Because everyone in Heaven is a believer. Do you realize that when you take your last breath, you will never again be able to talk with a lost person? Since that is true, shouldn't it be a priority of your life to reach out to all the lost people on earth while you can?" I would also add a priority to disciple new believers so that they can reach out to others with the Gospel also. (2 Timothy 2:2)

This privilege is neglected by many. Every Christian is guilty of not taking the opportunities that God gives us for sharing the Gospel. Project 316 is designed in part to equip believers to help them in sharing the Gospel. Our first major phase is to prepare all the teachings in Hmong to put on the audio players. We urgently need prayer for the first phase to be completed so that we can start sharing the audio players with the Hmong. Completing this first phase

of Project 316 is like driving a car in the city. Although we are making some progress, we continue to run into roadblocks and traffic jams. Translating English to Hmong can sometimes be difficult because there are very few words in the Hmong language. So translating becomes a challenge. Please pray that the translators will have the ability and the time to translate.

I solemnly charge you in the presence of God and of Christ Jesus, who is to judge the living and the dead, and by His appearing and His kingdom: preach the word; be ready in season and out of season; reprove, rebuke, exhort, with great patience and instruction. (2 Tim 4:1-2)

Teaching English and Computer Skills

For the upcoming school year starting in June we have been asked to teach English at the local Christian Hmong youth hostel. This is where some of the kids have been coming from when we run our Learning Center in our home. We have been working on new material to hopefully help them learn more, especially with reading English.

Visitors

At the beginning of March, Mike's sister, Stephanie, and her husband, Dave, came to visit us for a week. We enjoyed our time together, and Mike even got to do a zip-line course. Now we are preparing for more visitors next month. In mid-May, Sonja's parents will visit. At the end of May, a Hmong family from Pennsylvania will come for a week to conduct some children's Bible lessons and share their testimonies.

Prayer Requests

- Project 316: Again we urgently need prayer for the translations of the Hmong material so we can complete the first major phase of the project as soon as possible.
- For safe travels of Sonja's parents and the Hmong family, who are coming to visit in May.
- Praise God that we were not affected by the earthquake that occurred near Indonesia on April 11. Thankfully, there was no tsunami associated with it.
