Most Hmong farm fields are located in remote places up in the mountains.

This and That

Project 316 Audio Player Distribution

Plans to distribute another round of Project 316 audio players will be taking place soon, but we are not quite sure how getting the audio players into the hands of Hmong believers is going to go. The logistics of delivering them due to restrictions that various governments have made will make it difficult. The travel restrictions will prevent some of our ministry team members from picking up the players and delivering them to their particular designation. And

these restrictions currently prevent any plans for a trip into southeast Asia, which is a great disappointment. But this doesn't mean that our ministry stops.

Biking

One of the many blessings we have is that we can be involved in the Hmong community here in Lancaster County, PA. A couple of months ago an organized bike ride was started within the church's men's group. It's a great opportunity for connecting with

Fellowship International Mission 555 South 24th Street, Allentown PA 18104

Hebrews 10:24-25

And let us consider how we may spur one another on toward love and good deeds. Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another-and all the more as you see the Day approaching.

Prayer Requests

Please pray for...

The logistics of delivering the next round of Project 316 audio players into southeast Asia.

The economic downturn that has impacted our Hmong brothers and sisters in southeast Asia as well. Most of them are already living at the poverty level and are suffering even more.

The health and safety of our Hmong brothers and sisters during this time of uncertainty.

others and getting a little exercise at the same time. The biggest challenge is that it starts off in the early morning due to the hot summer weather.

Zoom Meetings

The men's group has also initiated a group Bible study via Zoom. It is a joy to be part of this study. Being involved in discipleship and studying the Bible with others is something that all believers should enjoy doing. Most local churches have small group Bible studies, but if yours doesn't, start one up! It is one of the best ways to study the Word of God and get to know others. We certainly need others to help us grow in our faith. Each one of us has been given spiritual gifts. But you can't put spiritual gifts into practice unless you are actively involved in the body of Christ.

Despite the inconveniences of the days in which we live, ministry still goes on, and we are extremely thankful that God has enabled us to have a ministry within the Hmong body of Christ both in southeast Asia and in the community in which we live. Thank you so much for your love and prayers that allow us to do what we do.

God bless,

Mike, Sonja, Sinjin,
and Mikaela Zeek
