

Persistence and Prayers!

Many of you have been praying for the Project 316 audio players that were stuck in Thailand for almost a year. They have now been sent into Laos in order that they can be distributed to hundreds of our Hmong

brothers and sisters who have been patiently waiting for them! As soon as possible, the 135 audio players and 25 micro-SD cards will be uploaded with the 350+ hours of content and

distributed into remote villages where Biblical teachings are scarce. The biggest problem might be the rainy season. However, our ministry partners on the ground will do their best to see that the audio players get to their proper destination.

Obviously I would like to go and distribute them myself, but as all of you know, air travel is difficult, and it doesn't look like it will get easier anytime soon. Borders between some southeast Asian countries are still closed. Even if I could get on a plane, I would have to quarantine for 2-3 weeks upon landing! That is, of course, if they even let me in! Will conditions get better? Keep praying!

316 Prophetic Seminar Series

As the 316 Prophetic Seminar teachings continue to develop, our Hmong brothers have continued meeting together with me via video messaging on a weekly basis to go through this extensive series. They have a genuine interest in what I am teaching, and

they tell me that they are learning new things in each lesson. Although there is a large

amount of material, the course has been developed to bring as much clarity to the Scriptures that teach on these things, so that all believers can come to a clearer understanding of what God wants us to know. Since I am teaching in English, an added benefit of the study is that it helps our brothers (and maybe sisters in the future) learn English. So we are able to accomplish two things at once.

Eventually our goal is to have this material translated into Hmong and distributed to Hmong leaders within the body of Christ so that they too can be prepared for what is coming. The more and more I study eschatology (end times), the more I realize just how close we are to seeing future prophecies fulfilled. Prophetic events and the things of this world are clearly starting to line up, and the body of Christ needs to be prepared for what is to come. There needs to be an urgency to getting the Word out before it is too late. If you have any questions and would like to go through this study please don't hesitate to ask and be sure to check out the info sheet for more details.

*God bless,
Mike, Sonja,
Siniin and Mikaela*
